

9) Supplemental Notice of Allowability dated November 20, 1998 with initialed Form 1449 dated November 20, 1998;

10) Supplemental Notice of Allowability dated February 9, 1999.

Remarks

The application identified as serial number 08/870,296, filed June 6, 1997, was taken over by our firm from Lowe Hauptman Gopstein after grant. The items listed above are the only documents we have in that file relating to amendment of the claims and other communications to or from the PTO. The first Office action (paper 2) was a Notice of Allowability (PTOL-37) dated May 7, 1998 allowing claims 1-48. Therefore it appears that there was no Office action rejecting any claims.

So that the Examiner will have a complete record to consider the instant application, copies of all correspondence to and from the PTO after May 7, 1998 are attached. The only amendment was under Rule 312 making small changes to claims 1, 2 and 21. This amendment was entered by the Examiner.

Reconsideration and allowance of the foregoing claims are respectfully requested.

Respectfully submitted,
